

Communication

- Today you will be creating something to let other people know all about your Bot!
- **We want to know:-**
 - Which skills your team found easy
 - Which skills your team found tricky
 - What you enjoyed about making your Bot
 - What you would do differently next time

1

Which skills will we use today?

Sharing information and ideas
Communication

Putting in lots of effort
Hard-working

Caring a lot about your work
Passionate

2

Communication - Poster

What you could include in your poster:

1. Your Bot's name
2. A picture of your Bot
3. What your Bot can do
4. What went well
5. What went wrong

Make sure you include:

- Which skills your team found easy
- Which skills your team found tricky
- What you enjoyed about making your Bot
- What you would do differently next time

3

Here are all the skills to help you remember which were easy and which were tricky
